Dr. Hoyt went to Grand Rapids last
week in the interest of his profession,
visiting hospitals and surgical institutes.

M. P. Allen arrived at home last Fri-
day after a visit of several weeks in the
state of New York at the place of his
birth and boyhood.

Elder Brooks will occupy the pulpit
at the Christian church next Sunday.
His theme will be "Christ, Son of Man,
Son of David, Son of God."

B. W. Hipp brought to this office a
mammoth watermelon weighing 304
pounds. He planted his melons June
10 and wonders if anybody has any bet-
ter.

There will be a ball game at this
place on Saturday, Sept. 21, between
the Lawrence and Paw Paw clubs. A
fine game is anticipated. Gentlemen
10 cents, ladies 5 cents.

A. C. Martin and wife now occupy
their fine new residence on Kalamazoo
street. A. C. says that he never before
enjoyed the satisfaction of stretching
out his feet under his own table.

The NORTHERNER is just finishing a
400 page record for the supreme court.
It has kept the boys busy for some time
until nearly midnight as it had to be
done inside of two weeks.

Miss Mabel O'Dell returned Friday
night from the city, where she has been
looking up the latest millinery styles.
A big new stock has followed her and
is now ready for inspection.

The annual meeting of the board of
superior courts this year will be on the 14th
day of October, the latest possible date.
Last year it was on the 8th day of Octo-
ber, the earliest possible date.

Dr. H. C. Maynard of Hartford was a
welcome caller at the NORTHERNER
office last Monday. The Dr. will go to
New York soon to take a post-graduate
course in medicine. He will be gone
several months.

J. H. Waters & Co. sold three wheels
last week, as follows: R. E. Allen,
a Waverly; Harry Earle, a Plymouth;
Chas. Finch, a Kenwood. These sales
make in all 40 wheels sold so far this
season by Waters & Co.

Jason Woodman showed the NORTH-
ERNER some ears of corn plucked from
a field of sowed corn that were already
beginning to ripen, although, on the
24th of August, neither tassels nor silk
had appeared. He says he is a believer
in late planting.

At the 21st convention of the U. S. R.
M. S. M. B. A., an insurance organiza-
tion for railway postal clerks, held re-
cently in Chicago, John B. Dillon was
elected one of the seven directors. As
this is a national affair, no little honor
is conferred on one of our former Paw
Paw boys.

Rev. W. R. Stinchcombe is attending
the annual M. E. conference and will
be absent until Tuesday next. He will
probably be returned to the Paw Paw
church, as he has been here but one
year—long enough, however, to win a
great number of friends who will be
pleased to have him remain in this
place.

Mr. Hammond has recovered his
sick wheel. It was returned to him
last Tuesday morning by young Kennan,
the man who hired it just previous
to its disappearance. Elder Kennan
says the wheel was recovered as a re-
sult of the advertisement in the NORTH-
ERNER and that further than that they
are pledged to secrecy.

The Kalamazoo Evening Telegraph is
the only paper reaching this city the
day of publication containing full Asso-
ciated Press news and giving the events
of the day the same day they happen.
The Telegraph is the only evening
paper in south-western Michigan that
is affiliated with any of the great news-
gathering agencies of the country.

Some of our exchanges speak of the
new law requiring registers of deeds to
use a seal and to attach the same to the
certificate of registration on the back of
each conveyance recorded, as being an
easy means of detecting forged instru-
ments. We fail to see how it helps in
that direction. It certainly will prevent
forged certificates of registration, but
further than that it will have no effect
whatever.

The narrow gauge train from South
Haven "went dead"—by no means an
unusual occurrence—last Monday even-
ing, between this place and Lawrence,
and kept the passengers waiting all
night long and then, in the morning,
they were compelled to hire a team and
came driving into town about eight
o'clock. O! What a railroad! The
community would better return to the
ancient stage coach.

Commenting on the statement of the
Lawton Leader that the evidences of a
"job" put up on the Lawtons at the
recent ball game at Decatur between
the Paw Paws and the Lawtons, were
plainly visible, the Independent says the
only job it could see was the job the
Lawtons had undertaken to beat the
Paw Paws, and that was a job they could
not accomplish. The Independent hits
the nail squarely on the head.

The court ordered the plea of Tyler,
the young man who is charged with
placing an obstruction on the railroad
track near Mattawan, changed from
guilty to not guilty because, from medi-
cal evidence, it was made to appear
that it was a matter of doubt as to
whether the accused was or was not
possessed of a sufficient degree of in-
telligence to be responsible for his ac-
tions. The court deemed that justice
demanded that a jury should pass on
the case.

The probate court was engaged last
Monday in a hearing on a petition to
appoint a guardian for Wm. Markillie
of Almena, better known as Uncle
Billy, who, it is claimed, has become
mentally incompetent to transact busi-
ness. A large number of witnesses and
interested spectators were present.
The hearing was not concluded and
stands adjourned until to-morrow.
Mr. Markillie has long been known as
the "model farmer" of Almena and has
one of the finest estates in the county.

E. A. Park of Detroit, is calling on
old Paw Paw friends.

Mrs. Eleanor Howland is in Grand
Rapids, visiting friends.

See Holmes & Bilsborrow's new adv.
for important information concerning
stoves, ranges, etc.

The NORTHERNER acknowledges the
receipt of a basket of excellent peaches
from E. A. Rood of Covert.

Sellick & Co. have something to say
this week about those elegant new dress
goods just received. Read it.

The thunder storm of Tuesday even-
ing was the most brilliant display of
celestial fireworks that has visited this
locality for many months.

The thanks of the NORTHERNER are
due to Archibald Lyle for a basket of
peaches that were some smaller than
good sized pumpkins.

The Senior Whist club have accepted
an invitation from the Unity Whist
club for Sept. 26, at the home of Mr.
and Mrs. L. K. Woodman.

Mr. Caspar Cook, a former resident
here, now of Topeka, Kansas, is in town
and will spend the winter with his
daughter, Mrs. Geo. L. Tuttle.

Ed. H. Lindsley has a plum tree in his
yard that was white with blossoms the
fore part of this week. It bloomed last
spring at the usual time, but was too
young to bear fruit.

The ladies of the M. E. church will
hold a general pumpkin pie and sup-
per social at the church Tuesday, Sept.
24. Supper from 5 to 8 o'clock. All
are invited to come.

The only old veteran from this vicini-
ty, who attended the gathering of old
soldiers at Chattanooga, was David
Dillon of Waverly. He went as the
regular delegate chosen by his com-
rades.

The new flag staff ordered by the
board of education has arrived. It is a
dandy. As soon as it can be properly
painted and placed in position "old
glory" will wave far above the school
house spire.

Len Shepard showed us the returns
from his last large shipment of peaches.
They sold at the rate of from \$1.25 to
\$1.60 per bushel, most of them at \$1.50.
It pays to ship fruit that is packed
strictly first class.

A meeting of the Coterie will be held
at Miss Clara Anderson's next Wednes-
day, Sept. 25th, at 2:30 o'clock. As this
is the first meeting of the year, and
a business meeting, every member
is requested to be present.

Rev. Kennan, having resigned the
pastorate of the Free Will Baptist
church, has gone to Chicago to take up
the study of medicine. His wife will
remain here for a time. The church
has not yet selected another pastor.

It took a day and a half to try Roy
Eitle on a charge of bastardy, and then
the jury disagreed. It is said they
stood ten for conviction and two for
acquittal—ten obstinate fellows who
could not or would not agree. It was
a fine looking baby anyhow.

Everybody came to Paw Paw on oc-
casion of the business men's jubilee,
Thursday, Oct. 3. A very large time
is confidently expected. The music
committee has already engaged the services
of two bands and negotiations are
pending for an address from Senator
Burrows. Remember the day and date.
Full program next week.

One of the brightest flashes of light-
ning and loudest claps of thunder oc-
curred last Sunday evening that have
visited this place in years. A tree near
the residence of R. M. Buck was struck
and quite a hole made in the ground
around its roots. That and a gentle
shower was all that we experienced of
a storm that was much more violent in
various other localities in the state.

Bob Barnes one of the alleged South
Haven "tiger tamers" who was taken
in out of the wet at the recent official
raid at that place, went into Bullard's
store Wednesday and began to shoot of
his mouth in regard to the matter.
Bullard, who was one of the deputies
who attended the raid, finally told him
to leave the store and to get out quick,
a command that was promptly obeyed
when Jim came out from behind his
counter.

The open season for hunting deer,
under the new law, is from Nov. 1 to
Nov. 25. Parties desiring to hunt must
appear in person before the county
clerk and take out a license which will
cost them fifty cents and which will en-
title them to kill five deer and no more.
This is probably more than the average
hunter can get, but it is a restriction on
experts. Non-residents must pay a
license fee of twenty-five dollars, five
dollars per deer, if they reach the
limit.

Frederick N. Richardson, son of our
fellow citizen, Milan U. Richardson,
died at the residence of his father in
this village, on Monday last, of appen-
dicitis, after an illness of two weeks,
aged about twenty-seven years. Fred
was a promising young man and had
been a resident of South Haven for the
past two years, and had been in busi-
ness at that place, as a jeweler, for a
year past. He had won a large circle
of friends among the good people of
that place who will join with his many
Paw Paw friends in sorrow for his un-
timely death. His mother was tele-
graphed for, but, unfortunately, owing
to annoying delay in delivering the
dispatch and the breaking down of the
train, she did not reach here until after
his death of which she was ignorant
until she drove up and saw the crape on
the door. Funeral exercises were held
at the house last Wednesday, Rev's.
Linderman, Rennie and Harvey officiat-
ing. The floral decorations sent in
by Paw Paw, South Haven and Kala-
mazoo friends were beautiful, profuse
and appropriate. The remains were
laid at rest in Prospect Hill cemetery.
The afflicted relatives have the heart-
felt sympathy of this entire community.
